## Dear parents and caregivers

With the end of Term 2 rapidly approaching, school life is certainly not quietening down! We have had a very busy week, full of events.

Students will be given their reports on Thursday, 28 June. Please take the time to sit with your child and discuss their achievements and celebrate their successes. It is also a timely reminder that a 'C' grade means that they are achieving at standard. This means they are on track to successfully meet the requirements of their year level. Should you need any clarification around the contents of your child's report, please speak to their classroom or specialist teacher.

## Interschool Lightning Carnival

We had a number of teams competing across four sports in the Winter Lightning Carnival. A big thank you to Ray Palermo for his organisation and preparation for the day, and also to the teachers who ably assisted him. It would not have been possible to have so many children at a number of venues without the help of the parents. We thank you for your coaching expertise and the time given to ensure the day was a success. What I am most proud of is the wonderful sportsmanship demonstrated on the field and the manner in which our students conducted themselves. This was noted by other schools, so well done Beaconsfield!

**Netball:** Our A and B teams had great fun and both won two games each out of the six. They played against some tough and tall competition. Everyone played and behaved the Beaky way – we were so proud. Oh, and it rained in the afternoon!

Thanks to our helpers: Ms Sophie Foo (Grad teacher), Cathy Cooksey, Deanne Grein, Evie Lilley, Julie Linsley, Jane Rodrigues and Kerry Currie.

**Hockey:** "Beaconsfield PS sent two teams to play hockey at Success Sporting Complex for the Lightning Winter Carnival. Both teams displayed admirable sportsmanship and respect to competing teams and match officials. Our A Grade team won two games and played well. Team B went through undefeated and won their Division! Congratulations to both teams. Special thanks to Mr Raferty, Mr Fodzar, Mrs Brazier, Mr Bell and Mrs Marillier as well as Chloe from Como SHS for assisting with coaching. Well done, everyone!

**Soccer:** Congratulations to the Senior Soccer team for a successful and exhilarating day of soccer. I'm sure all the viewing parents could agree that the standard of play was so impressive that they thought they were currently in Russia. After a days worth of action the Beaconsfield Soccer team finished third overall. It was a 3-1 result in the Bronze Final that sealed the deal. Both teams performed exceptionally well. I particularly admired the effort and sportsmanship demonstrated by all the boys throughout the day. Well done boys you should hold your heads up high as you have honoured that school emblem in the way you

have conducted yourself. I would also like to extend a massive thank you to Steve Adrian and Gabe Hammond your dedication and expertise ensured that our teams were able to perform beyond expectations, but more importantly, have fun.

*Awatea Dansey*

**AFL:** The superstar team was made up of Year 4s, 5s and 6s. After many weeks of intense training and strategic planning we were ready to take on each of the seven opposing schools. Our first four games we won convincingly and as we went into game five against our toughest opponents yet, we could taste the victory as we battled it out. As the siren shrilled we knew we had beaten our tough competition and had one more game to play. The Beacy boys went on to be victorious in game six, thus reigning them undefeated premiers and bringing home the shield! However it is more than just victory and winning. Where our Beacy boys were truly victorious was in their admirable sportsmanship and respect they showed, not only to each other, but to every single player they came up against. I am so

proud of our team for the commitment, perseverance, respect, sportsmanship and humbleness they displayed on the day and in the weeks leading up to the carnival. A special congratulations to our brilliant captains, AJ and Angus Horton. You were fantastic leaders and set a wonderful example. To Zach who received the coach/captain award, well done! Finally, a huge thank you to my assistant coach Mr S, Nichola Beeley for her impeccable scoring, Nick Bartram Eliza Alford, and Peter James for goal umpiring and support.

*Sarah Lechte.*

## African Drumbeats

Students were thoroughly entertained today with a performance from African Drumbeat. Every student had the opportunity to participate in the singing, dancing and drumming activities. The show was a culmination of the wonderful drumming work students have been doing in Music with Avril Mulligan, and will lead nicely into the Term 3 topic of Music from Around the World.

As this is the last newsletter for the term, we wish you a safe and enjoyable holiday. Thank you to all parents and community members for your ongoing support and participation in our school. Term 3 begins on Monday, 16 July.

## Room 16's Buddies

On Tuesday's, Room 16 visits the joyful Pre-Primary Starfish. Whilst there, we do a whole lot of fun and exciting activities for all ages. Our first time going, it was very awkward because no one knew each other. So far we've had a blast being there and made great friends. Our role-model skills are improving each week when working with our Pre-Primary buddies.

My favourite activity with our 'Buddies' has been the Paper Plane Challenge. This challenge involved the skill of constructing a fast and functioning paper plane that could take cargo as far as possible. The winners of the challenge were Zack, Henry, Levi, Kaspas, Ollie and Noah. We've all had so much fun this semester and can't wait to go back each week.

## Our Assembly

On Friday 15 June at 9.00am, Room's 5 and 6 performed an assembly item called 'Same Drum'. We did some dancing, singing and drumming. We sung in three African languages (Swahili, Dinka, Kinyarwanda). The song was about happiness for everyone and to live in Peace and harmony. We felt very proud of ourselves and we were very happy!

**Why Recycle?**  
98% of a used lead acid battery is recyclable!  
Used lead acid batteries contain materials which if not handled correctly are harmful to humans, domestic pets, wildlife and the local environment.

**What happens to the returned batteries?**  
Returned batteries are delivered to specialist recycling and reprocessing centres. Component metals, acids and plastics are reclaimed, recycled and put back into the manufacturing process to build more batteries and household products. This helps reduce the impact on natural resources and protects the environment for future generations.
