Beacy Primary Christmas Giving Tree 2019

Beacy Primary is collecting gifts again this year for children in need

Sky Service (Centrecare) have identified 20 families in our area who are at risk of homelessness and will find it difficult to buy gifts for their children

We are looking for your help to provide a few small gifts for each child and some hamper items to help them celebrate Christmas

We have made some some tags describing the children and what they like and will put them on the Giving Tree in the office . Class teachers will help Beacy students pick a tag to take home and we would appreciate it if you could purchase a gift and return it to the tree with the tag by Monday 16 December or return the tag to the tree if you don't want to participate.

Parents are welcome to visit the tree and collect new tags or swap tags . Donations of non-perishable hamper items are most welcome. We will present the gifts to Centrecare at our end of year assembly.
