Welcome back to the final term of the year! As a P&C we have heaps going on this term and we will need your help. There has been much talk of plans to upgrade playgrounds and I am delighted to let you know that initial upgrades are underway.

This weekend, 17<sup>th</sup> and 18<sup>th</sup> October we need YOU! We are offering you a day FREE of your kids (note you need to organize your own sitters 😊). Please meet us at the undercover area at 8.30am 17<sup>th</sup> October for a Busy Bee Paint-a-thon. By then end of the weekend we are hoping to have multiple areas cover in new paint including four squares, snakes and ladders, hopscotches and chairs.

Work has started and we know we will need help to get it all done. And please, no children...I am messy enough with paint without any additional helpers!

We will have proposals soon from landscape consultants to develop a master plan for the school playgrounds – how exciting! A summary of these proposals will be sent out with the P&C meeting minutes; please come along and cast your vote on which proposal you would like to see proceed – Tuesday 27<sup>th</sup> October at 7.30pm in the staffroom. It will be a push, but it would be amazing if some works could be completed over the Xmas holidays...

And containers for change has kicked off. Hopefully you have been saving all your eligible containers (coke bottles, 600 ml milks, kombucha, beer bottles, cans – it must have 10c eligible container on the side) to deposit in our school bin, next to Franks garden shed. Please only eligible containers otherwise the P&C will be paying fees on sorting rather than building playgrounds with funds...or use our code **C10270759** at any recycling station.

We look forward to seeing you this weekend and around the school. Thanks – Nicola, P&C President
