What a rollercoaster start to Term 2!

While the face masks were back again, this year they didn't prevent a fantastic Mother's Day Stall. Much thanks to all the volunteers; you helped 440 children feel special making their Mums and Carer's feel special! We also had some energetic volunteers who have helped kick-off the sustainability curriculum with a clean-up of some of the school gardens. Can't wait to see the produce!

We are very excited to announce that construction of a major portion of the side oval playground is being commissioned. Using our \$20,000 grant from the McGowan Government, and with high hopes for a grant award from Fremantle Ports, we have sufficient funds to proceed. It is so exciting, and we are so fortunate to benefit from these grants and all your fundraising commitment and efforts.

Also highly anticipated, next week new soccer goals will be installed on the bottom oval. Thanks to Mr Andersson for making this happen!

Who doesn't love coffee? With thanks to Pound Coffee Roastery, up to 30% of proceeds from coffee purchases will go towards the P&C. Please ensure to stay on the Beacy Page to complete your order and look forward to enticing and awakening aromas. Orders to be in by Friday 21st May.

This term we will also be fundraising for more trees around our school grounds. Each class (PP – Yr 6) will 'Run for the Trees' with our lap-a-thon fundraiser, Tues 1st June from 2 – 3pm. The children fundraise based on the number of laps they run, total funds raised by each class are pooled and used to purchase a class tree – size commiserate to the amount of class funds raised. Exciting stuff hey!

And there's still time to be in our raffle by making your P&C contributions for 2021. All contributions paid by 21 May will go in the draw to win a \$150 voucher to The Local Hotel, or 1 of 2 cartons from Gage Road Brewery, or a brand new Capino Capsule Coffee Machine. Much thanks to The Local Hotel and Gage Roads for their generosity. Get in to win – hopefully we can hit 60% of contributions paid.

Thanks as always for your support Team Beacy – Nicola Bagley, Beacy P&C President

Pending future fundraising efforts and parent contributions, we are hoping to be able to install the Treehouse / Lighthouse connector from the side oval to the Basketball Court in the coming years. We are still waiting on final costings however the treehouse is achievable next year if everyone pays their parent contributions as only ~\$30,000 is required. Go Team Beacy!
