

TERM 1 FEBRUARY 2023

# BEACY P&C NEWSLETTER

We breathed a collective sigh of relief when the summer holidays began - and did exactly the same when they ended! Thank you Beacy teachers for taking our children back under your considerate, fun and inspiring wings.

Before we talk 2023, I wanted to take a moment to thank the volunteers who delivered so many memorable P&C events in 2022. Sincere thanks, in particular, to Gail Crawford and Karen Francis for taking on the entire end-of-year Sundowner. What a stunning effort - and what a mighty team.

Prudence Riley, P&C President

## A great, green start to 2023

It was wonderful to see so many parents and friends rock up to school on the Sunday before Day 1 to get the gardens (in particular the kitchen garden and new trees) in order.

This year we have launched the P&C Sustainability Sub-Committee. So, if being green is your thing, please get involved by reaching out to committee leader, Gail Crawford, [beacysustainability@gmail.com](mailto:beacysustainability@gmail.com)

## Term 1

- **FRI 10 FEB Foam Fiesta**
- **MON 13 FEB P&C Meeting #1 - held in the school staff room @ 7:30pm**
- **TUE 14 Mar P&C AGM (#2) - this is when new members become official.**
- **DON'T FORGET to pay your P&C Voluntary Donation - check out the next page to see where your funds go.**

## Shout Out

...to everyone who donated their old school uniforms last week - we were blown away by the response.

We've already hit 19% of our target - let's keep the momentum up and smash it!!! 10c from each container goes directly to P&C fundraising which, in turn, goes back into the school.
