

TERM 3 SEPTEMBER 2023

# BEACY P&C NEWSLETTER

Hello Parents and Carers,

It's been a cracker term for the P&C including new paving between the middle playground and classrooms, culinary support (sizzle & bake sale) for Science Week Astronomy Night, Lap-a-thon 2023, our annual Father's Day stall, new, very good-looking, faction marquees, the introduction of faction accessories to the uniform shop, and the added luxury of a coffee van on Sports Carnival day.

Contributing to our school community by strengthening the school program is what the P&C is all about - we couldn't do that without your support, whether it be monetary, donations, or volunteer time. Your generosity and commitment are what make Beacy a warm, fun and safe environment for our children to thrive.

On that note, we have an opportunity to support the permanent appointment of our Principal, Chris John. Our Board Chair, Dan Coffey, is on the selection panel and open to hearing your thoughts on the principal role from 2024 onwards. Please take the time to share your opinion through the school's direct email [beaconsfield.ps@education.wa.edu.au](mailto:beaconsfield.ps@education.wa.edu.au) and it will be passed on.

**Term 4 is going to be a big one - we have included a calendar so you don't miss a beat!**

## Lap-a-WON

The Beacy 2023 Lap-a-thon was a huge success raising almost \$15,000 for the Beacy P&C!!!

This amazing result has funded a \$6000 upgrade of the AV system in the undercover area and the remaining funds (after Movie night of course) will go toward an awesome Funky Monkey upgrade of the junior school playground!

## WACSSO CONFERENCE 2023

Two of our P&C Members, Treasurer Anne Cameron and Erik Hoff kindly gave up a weekend to hear from the P&C experts at the annual WA Council of State School Organisations conference.

They shared some wonderful insights at our last P&C meeting which has led us to plan some invaluable parent information sessions for 2024. Details to come soon, but in the meantime, check out [esafekids.com.au](http://esafekids.com.au) and [positiveschools.com.au](http://positiveschools.com.au) for excellent advice about supporting your kids in the digital world.
