2027 VOLUNTARY CONTRIBUTIONS AND CHARGES

Dear Parents and Caregivers,

The financial support of parents is greatly valued and helps provide resources that enhance teaching and learning opportunities for all students at Beaconsfield Primary School.

In accordance with the *School Education Act 1999*, parents are advised of the 2027 Voluntary Contributions and Charges, as endorsed by the Beaconsfield Primary School Board. The schedule is divided into sections to assist families in identifying the costs that may be incurred throughout the year.

1. School Voluntary Contribution: $60 per student (equates to $15 per term/$1.50 per week)

The total amount of contributions parents/caregivers are being asked to pay has been contained within the $60.00 maximum set in the School Education Regulations 2000.

Contributions supplement school expenditure in the delivery of the Western Australian Curriculum. Examples of learning area resources and consumables are listed below:

$60 Voluntary Contributions (K – Year 6) examples of expenditure	
Curriculum areas	**Resources**
English	Decodable readers
Mathematics	Concrete maths resources
Humanities and Social Sciences	Up-to-date reference materials
Science	Consumables for experiments
Health and Physical Education	Sports equipment replacements
The Arts	Consumables
Library	Library books

These contributions are voluntary; however, our teaching and learning programs are significantly enhanced when every family contributes. This support supplements the funding we receive from State and Federal Governments. **This payment does not cover the cost of excursions or incursions. Please see attached schedule.**

Payments can be made through **Campion** (preferred) **or** electronic bank transfer **or** Admin Office.

2. P&C Voluntary Contribution: $55 per student

The P&C relies on voluntary contributions of **$55 per student** to fund free community events and projects that enhance students' school experience, including playground upgrades, large-scale murals, the yarning circle, decodable readers and interschool shirts.

Payments can be made through **Campion** (preferred) **or** electronic bank transfer **or** Admin Office.

3. Extra Cost Options (Charges)

Activities that enrich the educational program (including incursions and excursions) are offered to students throughout the year. Payment is required for participation; these are **not** covered by the

voluntary contribution.

A breakdown of possible charges for **specific learning programs** is included in the table. Please note, these amounts are only added to your child's total if they are participating eg. PEAC, IMSS.

Payments can be made via electronic bank transfer **or** Admin Office.

Payment can be made as activities arise **or** upfront (unspent balance carried forward to the following year).
